Dear Swift personnel,

RE: Testimonial

We has been working with swift personnel for the past couple of years, it was a great experience working with them in employing trainees from philipines. The trainees had carry out excellent performance in meeting our stipulated target and are all with positive working attitude and mindset.

We really appreciate the thought and effort, that swift personnel had put in for the selection of our trainees so as to meet out criteria.

We enjoy working with them and we are looking forward for more cooperation in the coming years.

Thank you.

Best Regards,
